Rooms

The Treehouse rooms are all different, but they all have in common that they are without exterior walls, wildly unique and absolutely beautiful. We will allot the rooms depending on the number of participants and room preferences. Note that there are a very limited number of single rooms. A few of the doubles can be converted into triple or quadruple rooms. If interested, please ask. You can find more information about the rooms on <https://www.treehouse.co.ke/treehouse-rooms-suites>

Flights and transfers

You need to make arrangements for getting to and from Treehouse. Flights and transfers are not included in the price. We will however try coordinate transfers to our best ability once we have received the flight details from everyone.
